

Fast. Flexible. Affordable.

Features

Why Choose Enroll™?

If you just need help with the heavy lifting of open enrollment data collection, look no further.

Benelogic **Enroll™** eliminates error-prone paper processes by enforcing data validation at the point of entry. The result? A post open enrollment file with clean, accurate data.

Benelogic **Enroll™** allows you to pay just for what you need or test the waters without committing to a year-long contract.

- Open Enrollment Only
- Short Term Arrangement
- Affordable
- Employee and HR Portals Included
- Branded Enrollment Site
- On-Demand Reporting
- Accurate Enrollment Data
- Upgrade Options Available
