

You're in the Driver's Seat.

## Features

### Why Choose Manage™?

If you want online tools but prefer a hands-on data approach that keeps costs as affordable as possible, then Benelogic Manage™ is the option for you.

Employees have year-round access to a robust and secure platform while HR can oversee ongoing new hire enrollments, open enrollment, and online status change requests instantly.

Benelogic Manage™ gives you the tools and technology to work smarter, so you can focus on delivering the right data...to the right people...at the right time.

- Year-Round Administration
- Employee and Human Resource Portals
- Online Life Event Change Management
- High Visibility of Key Statistics
- Employee Benefit Decision Support
- Plan-Specific Data Validation
- Secure, On Demand Enrollment Data
- Affordable Self-Service
